Please tick off the requested service level:

- | | |
|--|-----------|
| <input type="checkbox"/> Full test (recommended every 3 years) | Fr. 30.-- |
| <input type="checkbox"/> Repair to level 1 | Fr. 52.-- |
| <input type="checkbox"/> I do not want the beacon to be repaired. Please contact me about the opportunity to purchase a replacement device (VS 2000, VS 2000 Pro, Mammüt Barryvox) at a reduced price. | |
| <input type="checkbox"/> Please contact me about the purchase of a new device | |

If the cost of repair surpassed the amount you have indicated, we will quote the full cost to you. If the device has to be returned without repair, we have to charge Fr. 18.-- for the diagnosis. Correct disposal of un-repaired devices is free.

All prices including VAT plus Fr. 9.-- for handling.
Payment within 30 days against bill.

Service levels:

Full test: - visual and mechanical check
 - Check of technical performance with instruments.
 - Label is replaced if necessary

Repair level 1: Full test, the case including the switch is replaced (no electrical defect).

Warranty: 6 months for replaced components. We do not assume any further liability. Your receipt is the proof of warranty.
